

HEART OF DARKNESS

Animation

Synopsis

The world's first sand animated feature from the novel that Francis Ford Coppola adapted into 'Apocalypse Now'. A young sailor named Marlow travels to the Congo to work as a riverboat captain for an ivory-trading company. He follows the Congo River in search of the mysterious Mr Kurtz, encountering widespread brutality. At Kurtz's inner station they discover that he has become the ruler of his own brutal kingdom, exerting power of life and death over his native subjects.
