

LOVE ME IF YOU DARE

Synopsis

A whole life can pass by before someone's capable of saying, "I love you." Eighty years can go by before a love story begins. And all because of a game – or perhaps, thanks to a game. Sophie and Julien defined the rules of the game when they were young. For the rest of their lives, they're referees – and often victims – of it. "Are you up to it?" "Sure!" They're ready for anything: for better or worse. They flout all taboos, defy all restrictions, fly in the face of authority, laugh until it hurts. They're ready for anything! Except perhaps to admit that they love...
