

PASAZ

Synopsis

A gigantic traffic jam, wailing ambulances, honking cars, a looming thunderstorm, a forgotten gift ... It's the beginning of a completely insane day. In the pouring rain, Michal Forman abandons his stalled car and runs for shelter in an arcade, the "Passage". The Passage is a labyrinth where every one of us can get lost. It represents a world full of malice and deceit, stupidity and violence, for which we are to blame. If we have any hope at all of returning to a world of true values, we must be able to say "Stop!"
