

THE GIRL FROM PARIS

Synopsis

"The Girl from Paris" is the story of a young woman, Sandrine, who gives up her computer job and leaves Paris to live out her childhood dream of being a farmer. It's love at first sight when she comes across a farmstead on the Vercors plateau; she sets herself up, confident that she'll be able to do everything on her own. She's wrong... "The Girl from Paris" is the story of an old farmer, Adrien, who's over 70 and worn out by a hard life. He decides to sell his farm, but the only person who wants to buy it is a 30-year-old woman from Paris. He watches as the young woman settles in and...
